Hi Chris,

Leslie is working on getting the release letter for the bond on S/029/0007. As far as the bond release for S/003/0085 I am forwarding your email to Lynn Kunzler. He would be the best person to advise you on the release for this permit. If you have any questions please call or email. Thank you.

Penny,

I was just informed that we still have SMO bonds for Morgan and Promontory. Morgan was purchased and bonded by Geneva Rock. Promontory's (approximate \$50k) SMO bond has been converted to a \$420k LMO bond. Can we get releases on both?
